

WHAT IS CLAIMED IS:

- 1 1. A money holder comprising:
2 an elastic loop of a size to securely fit around and hold currency;
3 a charm attachment device attached to the elastic loop; and
4 a charm attached to the charm attachment device,
5 wherein the money holder is adapted to fit around the currency.
- 1 2. The money holder of claim 1 further comprising a covering surrounding the elastic loop.
- 1 3. The money holder of claim 1 wherein the charm attachment device allows for a charm to
2 be removably attached to the charm attachment device.
- 1 4. The money holder of claim 1 wherein the charm attachment device is crimped onto the
2 elastic loop.
- 1 5. The money holder of claim 1 wherein the charm is selected from the group consisting of
2 a jewelry piece, a flashlight, a key-holder, a key, a clip, a security device, an electronic tracking
3 device, and combinations thereof.
- 1 6. The money holder of claim 1 wherein the elastic loop comprises at least one side member
2 and at least one elastic member.

- 1 7. A decorative card and currency holder comprising:
2 a loop, wherein the loop is configured to securely hold currency; and
3 a charm having an opening therethrough, the opening receiving therethrough the loop,
4 wherein the card and currency holder is adapted to fit around the currency.
- 1 8. The decorative card and currency holder of claim 7 wherein the charm is free to slide
2 along the loop.
- 1 9. The decorative card and currency holder of claim 7 wherein the charm is fixedly secured
2 to the loop.
- 1 10. The decorative card and currency holder of claim 9 wherein the charm is fixedly secured
2 to the loop by way of a method selected from the group consisting of clamping, crimping,
3 engaging teeth, hole size, and combinations thereof.
- 1 11. The decorative card and currency holder of claim 9 wherein the loop is formed from an
2 elastic member, with a first end of the elastic member affixed to a first side of the charm and a
3 second end of the elastic member affixed to a second side of the charm.
- 1 12. The decorative card and currency holder of claim 7 wherein the loop comprises an elastic
2 member that is encased with a covering.
- 1 13. The decorative card and currency holder of claim 12 wherein the covering is a woven
2 material.
- 1 14. The decorative card and currency holder of claim 7 wherein the loop is a continuous loop.

- 1 15. A method for displaying a card and currency holder, the method comprising:
2 providing a card and currency holder having
3 an elastic loop, and
4 a charm attached to the loop; and
5 fitting the loop of the card and currency holder about a display medium.
- 1 16. The method of claim 15 wherein the display medium includes bogus currency.
- 1 17. The method of claim 15 wherein the display includes one or more bogus credit cards.
- 1 18. The method of claim 15 wherein the display medium has advertising copy printed
2 thereon.
- 1 19. The method of claim 15 wherein the display medium has a semi-personalized message
2 printed thereon.
- 1 20. The method of claim 15 wherein the display medium is a single sheet of flexible material
2 that gives the appearance of being a stack of currency bills.
